## Barclays Internship 2026/2027 For Off Cycle Programme

### Description

The Barclays Off-Cycle Internship Programme for 2024/2025 offers a distinct opportunity for participants to engage in a 3 to 6-month internship within the Investment Banking, Markets, Corporate Banking, or Quantitative Analytics sectors. This programme is designed to provide deep immersion into the professional environment and culture at Barclays, offering comprehensive insights into the role of a Full-time Analyst.

As an Off-Cycle Intern, you will participate in a dynamic and fast-paced financial setting, contributing to the provision of financial advisory, capital raising, financing, and risk management services to a global clientele. Interns will work closely with banking professionals on diverse projects, ranging from mergers and acquisitions to debt and equity financings and restructuring.

### Responsibilities

- Engage in the delivery of financial advisory and capital raising services.
- Support in the facilitation of mergers, acquisitions, and financial restructuring.
- Assist in various banking projects, gaining exposure to multiple sectors and products.
- Immerse yourself in the banking team's operations to gain comprehensive industry insights.

### Qualifications

- Applicants should be in their penultimate or final year of study, regardless of discipline.
- A keen interest in international finance and banking is essential.

### Job Benefits

The internship provides an extended duration compared to traditional summer internships, allowing for a deeper engagement with projects and professional development. Interns will benefit from a supportive environment, networking opportunities, and the chance to explore various areas within the Investment Bank.

### How To Apply?

Interested candidates must submit an application that demonstrates their academic standing in their penultimate or final year of study. Enthusiasm for the banking sector and a willingness to learn are key. Applications are reviewed on a rolling basis, and early submission is recommended to secure a position in this prestigious programme.
