Department of Transport SA Internships 2026/2027 Aviation and Security Intern

Description

The Department of Transport in South Africa is offering a Graduate Internship Programme for the 2024/2025 period, aimed at providing work exposure to recent graduates. This program is designed to enhance participants' skills and professional development within the transport sector.

The internship is structured over a 24-month period, offering participants a comprehensive experience in various aspects of the transport industry. Interns will be based at the Head Office in Pretoria and will receive a monthly stipend of R7,450.75. The program is exclusively available to unemployed graduates who have not previously participated in any developmental programmes.

Responsibilities

Interns will be engaged in practical work activities related to their field of study, allowing them to apply theoretical knowledge in real-world settings. Tasks will be aligned with departmental objectives, offering insights into the workings of the transport sector and facilitating professional growth.

Qualifications

Candidates must possess a Diploma or Bachelor's Degree in fields such as Transport Management, Transport Economics, Transport and Logistics Management, Law, B-Juris, B-Proc, Security Management, Policing, or Aviation Studies. Applicants should be South African citizens and must not have participated in any prior internship or developmental program.

Job Benefits

The internship provides a substantial stipend and an invaluable opportunity to gain practical experience in the transport sector. Participants will develop industry-specific skills, enhance their professional networks, and improve their employability within the public and private sectors.

How To Apply

Interested applicants must submit their applications by September 6, 2026, referencing the number DOT/HRD/2026/31. Candidates should ensure they meet the specified qualifications and provide all necessary documentation. This internship represents a significant step for graduates seeking to establish a career in the transport industry.
