East London Industrial Development Zone (ELIDZ) Internships 2026/2027 For Special Economic Zones Programme

Description

The East London Industrial Development Zone (ELIDZ) is offering an Internship Programme for the 2024/2025 period. As a state-owned corporation, ELIDZ is established under the South African Special Economic Zones Programme to develop, operate, and maintain modern infrastructure while attracting strategic investments to the region.

The internship program is designed to provide experiential learning opportunities across various fields for up to 24 months. It aims to equip interns with practical skills and knowledge through exposure to real-world applications in their respective disciplines.

Responsibilities

- They will participate in activities pertinent to their disciplines.
- Interns will contribute to various projects and operational tasks.
- Guidance will be provided by seasoned professionals in their respective fields.
- This experience aims to enhance their practical skills and industry knowledge.

Qualifications

- Candidates should hold a National Diploma or Degree in fields like Microbiology, Chemistry, Biotechnology, Marketing, Corporate Communications, Financial Accounting, Economics, Supply Chain Management, Quality Assurance, Process Engineering, Management Accounting, Office Administration, Electrical Engineering, or Information Technology.
- Applicants must be South African citizens who are currently unemployed and not enrolled in full-time studies.
- Previous involvement in any internship program will disqualify applicants.
- The program is aimed at individuals aged between 18 and 35 years.
- Preference will be given to candidates with outstanding academic records.

Job Benefits

Interns will gain valuable insights and practical experience that enhance their employability and professional growth. This program provides a robust platform for networking and skill development within a dynamic industrial environment.
