Maventic Graduate Learnership Programme 2026/2027 For Business Consultant

Description

Maventic Innovative Technologies invites motivated graduates to join our Business Consultant Learnership, based in Johannesburg. This program offers a unique opportunity for recent graduates in IT/ICT, Commerce, or Engineering to gain practical experience in business consulting. The learnership combines theoretical instruction with hands-on experience, facilitated by an accredited training provider, leading to a SAQA-registered qualification.

The Business Consultant Learnership at Maventic provides a structured pathway for graduates to develop skills in consulting. Participants will work closely with experienced professionals, engaging in real-world projects that bridge academic knowledge and practical business application.

This 18-month learnership program is designed to provide a comprehensive understanding of business consulting. Participants will learn through a blend of workplace experience and formal training, gaining valuable insights into consulting practices and methodologies within a supportive environment.

Responsibilities

- Conduct market research and analyze industry trends.
- Participate in strategic business projects.
- Collaborate with cross-functional teams to implement client solutions.
- Provide support in client presentations and communications.
- Learn and apply consulting skills and methodologies through structured training.

Qualifications

- Bachelor's Degree or Diploma in Information Technology, Engineering, Commerce, or similar fields.
- South African citizenship.
- Minimum NQF Level 4 in Mathematical Literacy/Mathematics Core.
- Not enrolled in any other learnership.
- Communication proficiency in English at NQF Level 4.
- Grade 12 (matric) certification with:
- Age 18 to 25.
- Not currently engaged in further studies or formal employment.

Additional Preferred Qualifications:

- Strong communication and interpersonal skills.
- Proactive attitude with a strong willingness to learn.
- Proficiency in Microsoft Office suite.
