PPS Investments Internship Programme 2026/2027 For Graduates

Description

PPS Investments is pleased to announce its Graduate Internship Programme for the 2024/2025 period. This initiative offers recent graduates the chance to gain practical experience while collaborating with a team of seasoned professionals in the investment sector. The program is designed to provide a thorough understanding of the investments landscape, complemented by continuous functional training within an incubated learning environment.

The internship spans 18 months, beginning with a nine-month rotation through various roles within the Retail Operations functional teams. This phase is followed by nine months of specialization, where interns will deepen their technical skills and knowledge. This structure aims to equip participants with both technical competencies and essential behavioral attributes, preparing them for future roles in the investment industry.

Responsibilities

Interns will be engaged in a variety of tasks, including:

- Actively contributing to team efforts, integrating, and participating in providing solutions to clients and intermediaries.
- Applying technical knowledge to finalize client requests and transactions effectively.
- Developing an awareness and comprehension of the investments industry and the entire client journey.
- Cultivating strong relationships and collaborating with stakeholders to foster trust and confidence in the PPS Investments brand.
- Taking responsibility for personal development and growth, fostering continuous improvement.
- Engaging in strategic departmental and organizational activities to promote the mutuality value proposition.

Qualifications

Candidates must have completed a Bachelor's or Honours degree in one of the following disciplines:

- Portfolio Management
- Quantitative Analysis
- Economics
- Investments
- Finance

Skills and Competencies:

Applicants should demonstrate a strong interest in investments and possess the following attributes:

- Proficiency in MS Office, particularly intermediate-level skills in MS Word
